Cooper Crouse-Hinds S.A. and the WEEE Directive

Since the Directive 2002/96/EC of the European Parliament and of the Council of 27 January 2003 on **Waste Electrical and Electronic Equipment (WEEE)** **Cooper Crouse-Hinds S.A** has been fully informed of the directive's requirements and has been on schedule for compliance once the law came into force in August 2005

In scope Cooper Crouse-Hinds S.A. products produced since 13th August 2005 have been marked with a crossed out wheelie bin underlined with a thick black line -

and one of the identification marks as illustrated below -

Cooper Crouse-Hinds S.A. is responsible for the treatment, disposal and wherever possible recycling of all products produced since that date.

Cooper Crouse-Hinds S.A, is registered with

No. **PROD0117**

in the ECOLUM foundation (www.ecolum.es) which is an integrated management system responsible for the treatment, disposal and wherever possible recycling of all products placed on the market which fall into category 5th of the above mentioned directive. Cooper Crouse-Hinds S.A is registered as well in the Spanish Government Department of Industry and in the Local Government department.

In compliance with the legislation Cooper Crouse-Hinds S.A. will also accept back for disposal on a like for like basis any Historic WEEE of any manufacture (Products produced before 13th August 2005, identified by the lack of the thick black line under the crossed out wheelie bin).

This applies where new Cooper Crouse-Hinds S.A. products have replaced the equivalent amount of historic WEEE products. If any Historic WEEE is to be returned this must be advised prior to our acceptance of the order and a method and period agreed for the return of this waste.

To arrange disposal of any products under this scheme the customer will need to request a returning goods authorization to Customer Services Department on +34 (0) 93 736 2710
