Your Warranty for a Reliable Light

EATON

Powering Business Worldwide

Your Warranty for Reliable Lighting in Harsh & Hazardous Areas:

Light Fittings for Ex-Zone 1, 2, 21, 22 & industrial use with Eaton Guarantee

1. Standard Warranty

1.1.
All Supplies shall be covered by the warranty set out in Eaton's standard terms and conditions for Germany, available at the following link:
<http://www.eaton.eu/Europe/TermsConditions/index.htm>
(the "Standard Eaton Terms").

1.2.
Defined terms used but not defined herein shall bear the meanings assigned to them in the Standard Eaton Terms.

1.3.
In cases where the warranty set out in the Standard Eaton Terms applies and where Supplies are installed at heights of more than 5 (five) meters or where any form of special access equipment may be required to enable access to such Supplies, the Buyer shall ensure that any equipment required to access the Supplies will be available to Eaton at the Buyer's cost.

Your Warranty for Reliable Lighting in Harsh & Hazardous Areas:

2. Extended Warranty

2.1. In addition to the standard warranty as set out in the Standard Eaton Terms and only in relation to Eligible Supplies (as this term is defined below), Eaton warrants that, with effect from the expiry of the 24 (twenty-four) month period of the warranty, the Supplies shall be free from Defects under normal use for an additional period of 36 (thirty-six) months (the "Extended Warranty").

2.2. The provisions of the warranty set out in the Standard Eaton Terms shall, subject to the provisions of clause 2.3, continue to apply in full during the term of the Extended Warranty.

2.3. The following provisions shall apply to the Extended Warranty:

2.3.1. the Buyer must notify Eaton in writing of any Defect within 7 (seven) days of the date that the relevant Defect is discovered by or notified to the Buyer, with such notice providing details in full of the part number(s), date code(s), location(s), observed failure mode and any related information in respect of the Defect in the relevant Supplies;

2.3.2. the Buyer must immediately cease using or operating the Supplies in respect of which any Defect is discovered;

2.3.3. any Supplies covered by the Extended Warranty in respect of which a Defect is discovered must be returned to Eaton after acknowledgement by Eaton in writing of receipt of the notice contemplated in clause 2.3.1 to such location as Eaton may reasonably determine at the risk and cost of the Buyer;

2.3.4. upon receipt of Supplies returned to Eaton under the Extended Warranty, Eaton shall inspect such Supplies and shall, in its discretion, repair or replace any Supplies in respect of which a Defect is discovered. In the event that no Defect is discovered in such Supplies, Eaton shall be entitled to invoice the Buyer for any costs incurred by Eaton in respect of such investigation,

2.3.5. the unexpired term of the Extended Warranty shall apply in respect of any Supplies repaired or replaced by Eaton under the Extended Warranty, the term of which shall not be extended pursuant to such repair or replacement;

2.3.6. the Extended Warranty shall not apply:

2.3.6.1. if any Supplies are used, operated or installed in any manner not in accordance with the specifications or instructions supplied by Eaton in relation to such Supplies or which have been changed, modified or amended in any manner subsequent to being supplied by Eaton;

2.3.6.2. if the temperature and/or voltage specifications set out in the installation instructions for such Supplies are exceeded in any manner;

2.3.6.3. in respect of light-emitting diodes ("LEDs"), in excess of or in addition to the expected lifetime performance published by the relevant LED chip manufacturer's data or specifications;

2.3.6.4. to any components sold by the Cooper Crouse-Hinds GmbH;

2.3.6.5. to any luminaires converted to emergency operation without written agreement from Eaton; and

2.3.6.6. any consumables or parts of the Supplies that are consumables, including (but not limited to) lamps, starters and batteries.

2.4. For purposes of this Extended Warranty, "Eligible Supplies" means complete LED luminaires sold from Cooper Crouse-Hinds GmbH to Buyer and excludes (i) any product or components for display and backlighting; and (ii) any bespoke or non-standard products specifically produced or designed for the Buyer and/or for any specific application or project and (iii) the searchlight series SEB 10.

2.5. Project specific extended warranties may be discussed by the Parties and will apply only where agreed in writing by Eaton, with such agreement to be recorded during the project quotation process prior to any order for any goods and/or services being placed.
